XIX Forum Brazil-Europe

Migration in the XXI Century: challenges and opportunities

Rio de Janeiro,
3rd August 2012

Dear Member of the Dutch Parliament,

On behalf of the Konrad Adenauer Foundation, I would like to invite you to the **XIX Forum Brazil-Europa** which will be held on **29th and 30th August 2012** in Brasilia, Brazil. The Forum is a joint Euro-Brazilian project, organized in partnership by the Konrad Adenauer Foundation (KAS), the Institute of International Relations and Institute of Social Sciences/University of Brasília (UnB), the Parliamentary group Brazil–European Union and the Mission of the European Union in Brazil for dialogue between Europe and Brazil. It aims at bringing together participants from a wide range of professional backgrounds; from government representatives, members of civil society and academics.

It would be an honour for us if you would accept our invitation to join us in this debate and to contribute with the high-level debate that will come from it. The topics covered by the event will range from education to humanitarian action and climate change. Amongst these themes, I am certain that we will be able to accommodate you in one panel that will fit both: your possibility of contribution and the panel subjects.

During the event you will be our guest. As such we will be responsible for your transportation, alimentionation and lodging. The conference will be realized in Portuguese, German and English. Simultaneous translation will be available.

Please do not hesitate to contact us should you have questions regarding your invitation or the forum itself by sending an email to **aline.soares@kas.de**

We look forward to meeting you in Brasilia,
Yours Faithfully,

Aline Soares
