Issues about the Planning Law

1. The role and the challenges posed in the planning activities of the host country? The legal system of planning and the role of Parliament?
2. Researching about the planning system of the host country: Types of planning (national planning, sectoral planning, regional planning, provincial planning...); Basic principles in establishing and implementing operational planning; The lead agency managing the planning and powers, its responsibilities; planning period (visibility for each type of planning)...?
3. The State's policy in planning activities (policies on human resources, policy support...)?
4. The opinions of people and organizations in all kinds of planning (consultation forms, order, content, timing, objects consulted for each type of planning...)?
5. Planning information (information systems and databases), consulting planning (selecting consultants, to advise policy...) and announced the plan?
6. Funding for the planning activities (public or private participation, the mechanism used, administration...)?
7. Handling the relationship between different types of planning?
8. How to organize and implement planning, management planning and management planning later?
9. Adjust the plan (the adjustment mode, the adjustment level) and the review and evaluation of the planning?

Issues about the Law in supporting Small and medium-sized enterprises (SMEs)

1. The criteria for determining SMEs?
2. The role and the challenges posed in the development of local SMEs?
3. The legal system of planning and the role of Parliament?
4. Supporting policies for SMEs (access to credit, financial aid, support production and business premises, support public procurement...) and the content of each SMEs support policies? Comparison between policy to support SMEs with other businesses?
5. Principles for the support of SMEs and conditions for SMEs to access each specific support?
6. The rights and obligations of the SMEs in accessing support policies?
7. Resources of the state to implement policies to support SMEs (budget, SMEs support funds, raising funds to support SMEs)?
8. How to organize the implementation of policies to support SMEs?
9. Roles and responsibilities between ministries and local governments in planning activities?
