Re Response to UKLFI's letter dated May 13, 2019

Dear Mrs. Turner,

We would herewith like to respond to the claims and requests made in your letter dated May 13, 2019.

The Dutch government does not possess any information that leads us to conclude that our financial support to UAWC has been used by organizations that the Netherlands or European Union consider terrorist organizations. The information provided by yourself does not change this assessment.

With kind regards,

Kees van Baar  
Head of Mission
